DO IT NOW!

Anyone who has ever had to deal with teenagers knows the foot-dragging that can go on over a simple request to do something. "I'll do it in a minute!" Parents know that adolescent "minutes" can be hours. Jesus tells of a father who asked his sons to work in his vineyard. One said "Later" but did the work; the other said "Yes" but did not. Jesus is not concerned with postponement, but with how people respond to him. Jesus' disciples were often distracted and misunderstood him. And the so-called "good" Jews would not even listen to Jesus. The people "good" Jews shunned, such as tax collectors and prostitutes, heard Jesus and grasped a great truth: wholeheartedly doing God's will trumps laws and commandments, and offers freedom and peace of heart. Are you going through the motions of being a Christian, not taking it to heart? What's dragging at your feet? Become a real disciple today. Copyright © 2010, World Library Publications. Living Stewardship Now

The best way to be a follower of Jesus Christ is to be with other believers. Strengthen your faith by joining a parish group that prays, studies or serves together. Look in the parish bulletin or handbook to find what would suit you best.

FAMILIAR INSIGHTS

Spiritual teachers tend to repeat themselves, and to repeat other teachers. Maybe there really aren't that many different truths to tell. Just a lot of slow, sleepy human beings—like us—who need to hear the basics over and over. Consider today's readings.

People complain God isn't "fair," and Ezekiel answers that God is more than fair. People choose their own fates, and people can change. Even evildoers can turn, do right, and live. "Actions speak louder than words." A fresh new insight? Hardly.

Paul tells the Philippians that he would truly be encouraged if those who claimed to be believers would, in fact, look to others' interests and not their own. "The proof of the pudding is in the eating." A novel idea? I don't think so.

In Jesus' story of the farmer and his sons, everyone knows that the one who said he wouldn't work—but did—is way ahead of the one who said he would work—but didn't. "Talk is cheap." Heard that before?
